

EXETER CITY COUNCIL

Civic Centre, Paris Street, Exeter, EX1 1RQ Tel: 01392 265434

MEDICAL REPORT

Associated with an application for a Hackney Carriage or Private Hire Drivers Licence

Your application for a Hackney Carriage or Private Hire driver's licence requires you to get your doctor to fill in this medical report. Further medical reports will be required every five years on renewal of the licence until you reach your sixty-fifth birthday and then annually thereafter on renewal of your licence.

A. WHAT YOU HAVE TO DO

- 1. Fill in Section 11 of this report in the presence of the doctor carrying out the examination.
- 2. If you have any doubts about your ability to meet the medical standards for a Group 2 Vocational drivers licence consult your doctor BEFORE you arrange for this medical form to be completed. The doctor may charge you for completing it. In the event of your application being refused, the fee you pay the doctor is not refundable. Exeter City Council has NO responsibility for the fee payable to the doctor.
- 3. The notes below (Medical Standards for Hackney Carriage and Private Hire Drivers) may help you.
- 4. This report, together with your application, must be received by Exeter City Council within 1 month of the doctor signing the report.
- 5. When posting the report to the Council please ensure it is either sealed in the preaddressed envelope provided for the purpose and posted or sealed in an envelope marked with the words "CONFIDENTIAL MEDICAL REPORT FOR THE PRINCIPAL LICENSING OFFICERS ATTENTION". That envelope should then be placed inside a second envelope and posted to the Principal Licensing Officer, Exeter City Council CIVIC CENTRE PARIS STREET EX1 1RQ.

B. WHAT THE DOCTOR HAS TO DO

- Fill in vision assessment sections 1-10 of this report taking account of the criteria for the Group 2 Vocational driver's licence in consultation with the DVLA "At a Glance Guide for Medical Standards of Fitness to Drive".
- 2. Applicants who may be asymptomatic at the time of the examination should be advised that, if in the future symptoms of a medical condition develop which is likely to affect safe driving and a Hackney Carriage or Private Hire driver's licence is held, the Assistant Director, Environment at Exeter City Council should be informed immediately.

IF THIS REPORT DOES NOT BRING OUT THE IMPORTANT CLINICAL DETAILS WITH RESPECT TO DRIVING, PLEASE GIVE DETAILS IN SECTION 6.

C. MEDICAL STANDARDS FOR HACKNEY CARRIAGE AND PRIVATE HIRE DRIVERS

Standards for Hackney Carriage and Private Hire drivers are higher than for car drivers. Specific conditions which are a bar to obtaining or holding a Hackney Carriage or Private Hire driver's licence are as follows:

1. EPILEPSY/SEIZURE

Applicants must have been free from epileptic seizures for at least the last ten years and have not taken anti epileptic medication during the last ten-year period. The Council must refuse or revoke the licence if these conditions cannot be met.

2. DIABETES

An insulin treated diabetic may obtain a licence to drive hackney and private hire vehicles, provided they meet certain criteria, details and additional medical forms may be obtained from the Licensing office.

3. EYESIGHT

All drivers, for whatever category of vehicle, must be able to read in good daylight a number plate at 20.5 metres (67 feet) and if glasses or contact lenses are required to do so these must be worn whilst driving. In addition:

- (i) All new applicants for a Hackney Carriage or Private Hire driver's licence must have:
 - A VISUAL ACUITY OF AT LEAST 6/9 IN THE BETTER EYE
 - A VISUAL ACUITY OF AT LEAST 6/12 IN THE WORST EYE
 - IF THESE ARE ACHIEVED BY CORRECTION THE UNCORRECTED VISUAL ACUITY IN EACH EYE MUST BE NO LESS THAN 3/60

An applicant, who held a licence before 1 January 1997 and who has an uncorrected acuity of less than 3/60 in only one eye, may be able to meet the required standard and should check with the Licensing Office, East Devon District Council, Knowle, Sidmouth, Devon, EX10 8HL or telephone 01395 517411.

An applicant who has held a Hackney Carriage or Private Hire driving licence before 1 March 1992 but who does not meet the standard in (i) above may still qualify for a licence. Information about the standard and other requirements can be obtained from the Licensing Office at the above address.

- (ii) Applicants are also barred from holding a hackney carriage or private hire driving licence if they have:
 - UNCONTROLLED DIPLOPIA (DOUBLE VISION)
 - DO NOT HAVE A NORMAL BINOCULAR FIELD OF VISION

AN APPLICANT (OR EXISTING LICENCE HOLDER) FAILING TO MEET THE EPILEPSY, DIABETES OR EYESIGHT REGULATIONS MUST BE REFUSED BY LAW

4. OTHER MEDICAL CONDITIONS

In addition to those medical conditions covered by law, applicants (or licence holders) are likely to be refused if they are unable to meet the national recommended guidelines in the following cases:

- Within 3 months of myocardial infarction, any episode of unstable angina, CABG or coronary angioplasty
- A significant disturbance of cardiac rhythm occurring within the past 5 years unless special criteria are met
- Suffering from or receiving medication for angina or heart failure
- Hypertension where the BP is persisting 180 systolic or over or 100 distolic or over
- A stroke or TIA within the last 12 months
- Unexplained loss of consciousness within the past 5 years
- Meniere's and others conditions causing disabling vertigo, within the last 12 months, and with a liability to recurrence
- Recent severe head injury with serious continuing after effects, or major brain surgery
- Parkinson's disease, multiple sclerosis or other "chronic" neurological disorders likely to affect limb power and co-ordination
- Suffering from a psychotic illness in the past three years, or suffering from dementia
- Alcohol dependency or misuse, or persistent drug or substance misuse or dependency in the past three years
- Insuperable difficulty in communicating by telephone in an emergency
- Any other serious medical condition which may cause problems for road safety when driving a Hackney Carriage or Private Hire Vehicle
- If major psychotropic or neuroleptic medication is being taken

Medical examination report Vision assessment

To be filled in by a doctor or optician/optometrist

Doctors – You MUST read the notes in the INF4D leaflet so that you can decide whether you are able to fully complete the vision assessment. Please check the applicant's identity before you proceed.

| | e visual acuity, as measured by the 6 metre Snellen chart, | Details |
|-------|--|--|
| | st be at least 6/7.5 (decimal Snellen equivalent 0.8) in better eye and at least Snellen 6/60 (decimal Snellen | |
| equ | uivalent 0.1) in the other eye. Corrective lenses may be worn | (C) |
| to a | achieve this standard. A LogMAR reading is acceptable. | |
| dri | correction is needed to meet the eyesight standard for ving, ALL questions must be answered. If correction NOT needed, questions 4 and 5 can be ignored. | |
