- (e) the apparent breach, or
- (b) any of the matters constituting the apparent breach,

at any time in the enforcement year.

(3) "The enforcement year" for a planning enforcement order is the year that begins at the end of 22 days beginning with the day on which the court's decision to make the order is given, but this is subject to subsection (4).

- (3) An enforcement notice shall specify the steps which the authority require to be taken, or the activities which the authority require to **cease**, in order to achieve, wholly or partly, any of the following purposes.
- (4) Those purposes are-
 - (a) remedying the breach by making any development comply with the terms (including conditions and limitations) of any planning permission which has been granted in respect of the land, by discontinuing any use of the land or by restoring the land to its condition before the breach took place; or
 - (b) remedying any injury to amenity which has been caused by the breach.

(8) An enforcement notice shall specify the date on which it is to take effect and, subject to sections 175(4) and 289(4A), shall take effect on that date.

(10) An enforcement notice shall specify such additional matters as may be prescribed, and regulations may require every copy of an enforcement notice served under section 172 to be accompanied by an explanatory note giving prescribed information as to the right of appeal under section 174.

(11) Where-

(a) An enforcement notice in respect of any breach of planning control could have required any buildings or works to be removed or any activity to **cease**, but does not do so; and

(b) all the requirements of the notice have been complied with,

then, so far as the notice did not so require, planning permission shall be treated as having been granted by virtue of section 73A in respect of development consisting of the construction of the buildings or works or, as the case may be, the carrying out of the activities.

(12) Where-

(e) an enforcement notice requires the construction of a replacement building; and

(b) all the requirements of the notice with respect to that construction have been complied with,

planning permission shall be treated as having been granted by virtue of section 73A in respect of development consisting of that construction.
