Dear Resident,

It has been reported that there is graffiti on your property visible from the public highway.

As part of the graffiti removal programme for Exeter City Residents, Exeter City Council is currently removing Graffiti for residents free of charge. The service is being offered to residents, subject to your approval, as part of a community clear up project to tackle graffiti within the City head on.

Whilst it is extremely unlikely that any damage will be caused to your property in carrying out the graffiti removal, it is necessary for you to sign and return the attached consent form, so that work can proceed. Please be aware if graffiti appears on a painted surface, the solution may take some of the original paint away.

Please use the cut off slip below and return to the above address, or email confirmation that you agree to have the graffiti removed and marked for the attention of The Anti-Graffiti Unit. Should you require any further information please call the above numbers. (If you have already signed and returned a disclaimer in the last week please ignore this one)

Yours sincerely

Louise Harvey  
Public & Green Spaces Operations Manager
