1.0 Purpose of the Scheme and background.

- 1.1 The purpose of this document is to determine eligibility for a payment under the Council's Local Restrictions Support Grant Scheme (Open).
- 1.2 The grant scheme has been developed by the Council in response to an announcement made by the Secretary of State for Business, Energy & Industrial Strategy made on 22nd October 2020 which sets out circumstances whereby a grant payment may be made by the Council to businesses that are not legally required to close but which are severely impacted by the localised restrictions on socialising put in place to manage coronavirus and save lives.
- 1.3 Whilst the awarding of grants will be the Council's responsibility, the Department for Business, Energy & Industrial Strategy (BEIS) has set down certain criteria which **must** be met by each business making an application. The Department has also indicated the types of business which should be given the grant.
- 1.4 The scheme applies where local restrictions either under LCAL2 (High) or LCAL3 (Very High) are put in place on or after 1st August 2020.
- 1.5 Localised restrictions are legally binding restrictions imposed on specific Local Authority areas or multiple Local Authority areas, where the Secretary of State for Health and Social Care requires the closure of businesses in a local area under regulations made using powers in Part 2A of the Public Health (Control of Disease) Act 1984 in response to the threat posed by coronavirus and commonly as part of a wider set of measures.
- 1.6 Grants under this scheme will be available for the 2020/21 financial year only.
- 1.7 Where there is a widespread national restriction, this scheme will be replaced by the Council's Local Restrictions Support Grant Scheme (Closed) and potentially the Additional Restrictions Grant (ARG) scheme.

2.0 Funding

- 2.1 Local Authorities, subject to local eligibility, will receive funding to meet the cost of payments to businesses within the business rates system based on an assessment of the number of eligible business hereditaments.

3.0 Eligibility criteria.

- 3.1 The Local Restrictions Support Grant (Open) is primarily aimed at hospitality, hotel, bed & breakfast and leisure businesses. The Council does have the discretion as to how to award grant funding to individual businesses and is able to award to businesses outside of these sectors.

3.2 Government, whilst wanting Councils to exercise their local knowledge and discretion, has strongly suggested that the Council follow their criteria for the awards. The Council has decided to adopt these principles, and, in all cases, the Council will only consider businesses for grants where **all** of the criteria are met.

Eligibility criteria determined by the Council.

- 3.3 The Council has determined the following criteria:
- (a) Businesses that were established and trading on the day prior to the introduction of LCAL 2-type (High) or LCAL 3-type (Very High) restrictions within the area and which satisfy one or more of the following criteria;
 - (i) businesses in the hospitality, leisure, sport facilities, entertainment, events and accommodation sectors whose turnover and trade has been severely affected by the localised restrictions on socialising are eligible;
 - (ii) businesses in the supply chain to the hospitality, leisure, sports facilities, entertainment, events and accommodation sectors, where the majority of their trade is with those sectors are eligible;
 - (iii) market traders and local independent retail shops whose turnover and trade has been severely affected by the localised restrictions on socialising are eligible;
 - (iv) traders dependent on providing direct in person services in homes whose turnover and trade has been severely affected by the localised restrictions on socialising are eligible;
 - (v) personal care facilities whose turnover and trade has been severely affected by the localised restrictions on socialising are eligible;
 - (vi) licensed taxi drivers are eligible; and
 - (vii) Early Years providers/Day Nurseries are eligible.

3.4 In each case, the business will be required to certify to the Council that they have been severely impacted by the restrictions to be eligible for a grant.

3.5 The decision as to whether a business has been ‘severely affected’ will be at the absolute discretion of the Council. In most cases this will be obvious due to the nature of the business. A business in these sectors will have had to make adjustments which have limited its capacity or customer footfall or its ability to trade normally or trade has severely reduced as a result of restrictions on movement or freedom to assemble. It may be necessary to ask for further information in borderline cases

4.1 The Council has decided that the following awards shall be granted:

- (c) Grants of £1,050 per 14-day period for businesses occupying hereditaments with a rateable value of exactly £51,000 or above on the date of the commencement of the local restrictions (LCAL2 or LCAL3).

Where the business is NOT shown in the local non-domestic rating list

4.2 In addition to the above, the Council has decided that businesses who are not currently shown in the non-domestic rating list, who are able to remain open but who are severely impacted by the restrictions, and which satisfy the eligibility criteria for the award of a grant, will receive a grant of £467 per 14-day period.

Award periods

4.3 It should be noted that, in all cases, grants will be paid for every 14-day period that the criteria are met. Awards will be pro-rated if a period of restriction is less than 14-days or an alternative grant funding scheme becomes available.

5.0 Excluded businesses

- 5.1 The following businesses will **not** be eligible for an award:
- (a) Businesses that are able to continue to trade and are not severely impacted as they can continue to provide their services normally;
 - (b) Businesses in areas outside the scope of the localised restrictions, as defined by Government;
 - (c) Businesses which have already received grant payments that equal the maximum levels of State aid permitted under the de minimis and the COVID-19 Temporary State Aid Framework;
 - (d) Businesses that were in administration, are insolvent or where a striking-off notice has been made at the date of the local restriction or national restriction;
 - (e) Specific businesses subject to national closures since 23rd March 2020 will not be eligible for this funding. They will be provided support through the strand of the Local Restrictions Support Grant (Sector) for nationally mandated business closures;
 - (f) Businesses that have already received mandatory business grant funding greater than their normal annual income;
 - (g) Student let accommodation; and
 - (h) Second homes and accommodation let out through home sharing, home swapping or similar sites.

- 6.1 The effective date for eligibility of grants under this scheme is the date of the local restrictions.
- 6.2 Where a business is shown in the local non-domestic rating list the Rateable Value used in determining the level of grant will be that shown for the hereditament in the local rating list as at the effective date. Any changes to the local rating List (Rateable Value or to the hereditament) after that date, including changes which have been backdated to this date, will be ignored for the purposes of eligibility.
- 6.3 The Council is not required to adjust, pay or recover grants where the local rating list is subsequently amended retrospectively to the effective date.

7.0 Who can receive the grant?

- 7.1 Government has stated that the person who will receive the grant will be, where the business has a hereditament in the local non-domestic rating list, the person who, according to the Council's records, was the ratepayer in respect of the hereditament at the effective date. Where the business is not subject to rating, the Council will decide who should receive the grant.
- 7.2 Where grants are awarded to businesses who are not liable for rates, the Council shall decide who shall be awarded the grant.

- 7.3 Where the Council has reason to believe that the information it holds about the ratepayer or business at the effective date is inaccurate, it may withhold or recover the grant and take reasonable steps to identify the correct ratepayer.
- 7.4 Where, it is subsequently determined that the records held are incorrect, the Council reserves the right to recover any grant incorrectly paid.
- 7.5 Where any business or individual misrepresents information or contrives to take advantage of the scheme, the Council will look to recover any grant paid and take appropriate legal action. Likewise, if any business or individual is found to have falsified records in order to obtain a grant.

8.0 How will grants be provided to Businesses?

This includes where the Council already has bank details for the business and are in a position to send out funding immediately. Businesses are under an obligation to notify the Council should they no longer meet the eligibility criteria for any additional grants at any point in each 14-day grant cycle period.

- 8.6 All monies paid under this scheme are expected to be funded by Government and paid to the Council under S31 of the Local Government Act 2003.
- 8.7 Where limits to funding available for this scheme require the Council to prioritise which eligible businesses will receive a grant, a closing date for applications to be received by will be imposed, and if necessary, priority given to businesses that have not yet received any support from Council administered business grants.
- 8.8 Where Government funding for this scheme is underspent, the Council will consider widening the eligibility criteria for the scheme.
