1. Introduction

- 1.1 Exeter City Council believes that all children, young people and adults have the right to be safe, happy and healthy and deserve protection from abuse. The council is committed to safeguarding from harm all children, young people and adults with care and support needs (see definition in point 3.1 relating to the Care Act 2014) using any council services and involved in any of their activities, and to treat them with respect during their dealings with the councils, our partners and contractors.
- 1.2 We aim to act as an exemplar of safeguarding practice providing strong leadership and improving safeguarding standards through having a robust safeguarding policy and monitoring system.

2. Aims of the Policy

2.1 The aims of the policy are to:

- Clarify the roles and responsibilities of all parties within scope of the policy.
- Support the promotion of a safe working environment and a culture of care in which the rights of all children, young people and adults with care and support needs are protected and respected.
- Promote best practice in how employees, elected members and associated workers interact with children, young people and adults with care and support needs while providing Council services.
- Develop clear guidance and procedures for those employees, elected members and associated workers and ensure through training and support that they are aware of these and able to implement them.
- Provide a framework for developing partnerships with appropriate external bodies e.g. Devon Safeguarding Children Board and Devon Safeguarding Adults Board, to ensure that the policy continues to reflect legal and best practice requirements in respect of the responsibility of care of children, young people and adults with care and support needs.

3. Scope of the Policy

3.1 The policy is in respect of Exeter City Council's responsibility towards:

- Children and young people, legally defined as any person under the age of 18. From this point the terms child or children will be used to refer to this group.
- Care leavers up to the age of 25. The primary function for providing services specifically for care leavers in Exeter rests with Devon County Council. However Exeter City Council recognises its role in providing services that care leavers may access in particular its homelessness and homeless prevention services.
- Adults with care and support needs are defined under the Care Act 2014 and for the purposes of this policy, as anyone over the age of 18 who:
 - has needs for care and support (whether or not the local authority is meeting any of those needs) **and**;
 - is experiencing, or at risk of, abuse or neglect; **and**
 - as a result of those care and support needs is unable to protect themselves from either the risk of, or the experience of abuse or neglect.

- The employees of the council who have dealings with children, young people and adults with care and support needs and who are required to act in a position of trust and to act responsibly and within the law.
 - The employees and elected members of the council who, while not required to act in a position of trust, may come into contact with members of these groups on a regular basis during the course of their work.
 - Employees and elected members involved in decision making with regard to licensing.
 - Volunteers and other workers involved in the provision of council services or who are granted licences by the council, but not employed by the council, including workers in organisations with whom the council has contracts for the delivery of services.
- 3.2 It covers all the functions and services of the council, its elected members, staff, partners and contractors.
- 3.3 This document is primarily concerned with protecting children, young people and adults with care and support needs from harm and providing guidance on how to deal with issues. However it is important to remember that safeguarding has a wider meaning which includes the promotion of welfare and taking action to enable all children, young people and adults with care and support needs to have the best life outcomes.
- 3.4 The policy does not cover health and safety issues related to safeguarding children such as use of play equipment or provision of food at events. Separate guidance on this and appropriate behaviours when dealing with children and adults with care and support needs, should be read in conjunction with this policy.
- 3.5 The policy does not cover safeguarding of council staff, elected members, contractors or volunteers which is dealt with separately under the Health and Safety Policy and associated procedures.

5. Supporting structures, policies and procedures

- 5.1 A Corporate Safeguarding Group has been set up to have oversight of safeguarding practice within the council and to drive forward improvements. The Group meets four times a year and includes representation from the Strategic Management Board and unions.
- 5.2 The Director Transformation has been appointed Strategic Safeguarding Lead and will chair the Corporate Safeguarding Group.
- 5.3 In addition the council has appointed a Corporate Safeguarding Lead responsible for co-ordinating the implementation of the policy and providing a single point of contact for the safeguarding boards.
- 5.4 The Corporate Safeguarding Lead has responsibility for:
- ensuring there is a secure central record relating to allegations and investigations
 - acting as multi agency partner on the Local Safeguarding Children Board and Local Adult Safeguarding Board
 - advocating the importance of safeguarding to partners, contractors and customers
 - ensuring all safeguarding policies, procedures and guidelines are implemented and promoted
- 5.5 In addition the Corporate Safeguarding Lead chairs a Safeguarding Representatives Group made up of a number of staff across the different services of the council. This group will have an operational overview of safeguarding issues in service areas, together with actions that could be taken.
- 5.6 In the absence of the Corporate Safeguarding Lead the Service Lead – Environmental Health and Community Safety will deputise for the corporate lead.
- 5.7 Safeguarding Representatives have responsibility for:
- Receiving concerns, discussing them with whoever has raised the concern and taking advice from the relevant partner agency/County Council service: this could include complex matters such as consent and whether parents/carers should be notified.
 - Making a decision about how to proceed and whether to make a formal referral. If there is disagreement on the appropriate course of action to take then the safeguarding lead has the final decision. Where staff are dissatisfied with the decision of the safeguarding lead, they should report their concerns to their line manager in the first instance and can still make a referral if they have strong concerns.
 - Ensuring the procedure is followed on such matters as making a referral, confidentiality and recording.

- Working with colleagues to improve practice across the organisation.
- In the event of an incident or query, should a safeguarding lead not be available, staff should go straight to relevant Devon County Council service. They can be supported by a senior manager but details of any incident must not be shared unless absolutely necessary.
- Attending appropriate courses and updating of safeguarding legislation.

5.8 Any staff who have a safeguarding concern should in the first instance discuss the matter with any one of the Safeguarding Representatives who will make a decision whether or not to refer the matter to the appropriate external organisation. A suite of supporting procedural documents is made available to all staff on the council's intranet site.

5.9 Exeter Community Safety Partnership (of which Exeter City Council is a statutory partner) also deals with some safeguarding issues on a city wide basis such as Domestic & Sexual Violence and Abuse, Modern Slavery, Child Exploitation and Preventing Violent Extremism. Both the Strategic and Corporate Safeguarding Leads sit on the Partnership so are able to ensure that the work of the Corporate Safeguarding Group supports that of the Community Safety Partnership and vice versa .

5.10 This policy should also be used in conjunction with the following:

- Disciplinary Procedure
- Grievance Procedure
- Whistle Blowing Policy
- IT Acceptable Use Policy
- Equality and Diversity Policy
- Complaints & Feedback Procedure
- Health & Safety at Work guidance

- Ensuring that recruitment procedures are robust and that information pertinent to working with these groups is obtained during the recruitment procedure.
- Ensuring that DBS Disclosures are carried out in compliance with legislation and DBS guidance.
- Supporting senior managers in dealing with allegations of abuse or lack of care by staff.

- 6.17 A requirement to comply with safeguarding legislation will be included in all contracts and service level/delivery agreements. Failure to comply may lead to the termination of contracts. Organisations doing business with us are welcome to adopt our safeguarding policy for their own use.

They will also be required to demonstrate that they have read the Council's policy on extremist speakers and will be encouraged to utilise the Council's Event Checklist Risk Assessment.
- 7.2 Any safeguarding concerns on council land should be reported to a Safeguarding Representative. (Not negating a need to call Police in a safeguarding emergency) Safeguarding Representatives are able to provide further advice and support to groups or organisations.
- 7.3 Details of these requirements are set out in the Exeter City Council Events Hire Policy

8. Grant applications
